**The Foodbank are asking for the following items only:

INCREASE IN SCAM EMAILS

Beware scam emails purporting to be from anyone from the PCC and clergy in our Diocese.

The scammers are attempting to introduce Christian language into their communications. The warning signs are: Address not tallying with content, Spelling mistakes, Pressure to act urgently or negative consequences.

And of course, our vicar and senior leaders would never ask for money or gift vouchers unsolicited.

If you are ever in doubt about the veracity of an email from the Diocese, our Bishops or anyone connected with the Church, then please email parishadmin@stpaulsslough.org.uk and we will be happy to confirm whether the email is genuine.
