

TRACK & TRACE

In addition to the safety measures we have in place already, from Sunday it will be a legal requirement for us to display the NHS Test and Trace QR code in the Church.

On arrival, please scan the QR code with the NHS COVID-19 app to help us comply with government regulations. You will be asked to scan the QR code each time you come to a service.

How to download the App

If you have a smartphone, please download the NHS COVID-19 app, available for both Apple and Android devices, so that you have the app ready on your phone before arrival. You can [download the app here](#). If you have any issues downloading the app, please visit the NHS FAQs.

To view the information about the App [click here](#)

What if I don't have a smartphone?

If you don't have a smartphone, we will ask for your details the same as we have been since the Church opened.

Thank you for following this advise.
